7. THE CITY OF GRADIŠKA INVESTMENT OFFER

Gradiška, February 2021

1. WHY TO INVEST IN GRADIŠKA ?

1. Strategic location on the border with the EU – The best geostrategic position for investment in Bosnia and Herzegovina.
2. Access to the market of over 500 million customers - Business in the immediate vicinity, but outside of the EU's legal framework.
3. Access to international markets - CEFTA, Free Trade Agreements: Free Trade Agreement between Bosnia and Herzegovina and EFTA countries (Switzerland, Norway, Island and Lichtenstein), Free Trade Agreement with Turkey, preferential export regime, etc. as basis for favorable link between the East and West, as well as north and south of Europe, and as a junction point of business routes on the Balkan Peninsula.
4. Business security – The Stabilization and Association Agreement signed between BiH and the European Union, which is the guarantee of security to your business.
5. A favorable legal framework for foreign investments – customs tariff preferences and tax exemption.
6. The largest border crossing in BiH for trade of goods of animal and plant origin and in general - annual number of over 1,000,000 passenger vehicles and 100,000 freight vehicles.
7. The lowest tax on profits in Europe of 10% and 17% of VAT % - lower operating costs than in the EU countries.
8. Competitive and qualified workforce – good qualification and age structure of working age population and active job seekers.
9. Organized infrastructure with low operating costs – favorable costs of electricity, utilities, telecommunications and construction costs.
10. Proactive and flexible administration - accelerated procedures for registration of companies and issuing construction and other permits with the support of the Center for Investors.

2. GREENFIELD LOCALITIES

Agroindustrial Zone Nova Topola

Location: The Zone is located 10 km from the city center, along Gradiška – Banja Luka regional road. It is 7 km from Gradiška – Banja Luka Highway.
