DEFINED STEPS OF ACTIVITIES FOR FUTURE INVESTORS

Dear Sir/Madam,

The following set of documents represents the current investment offer and the exact schedule of a potential investor's activities which have to be undertaken, starting from the expression of interest in purchasing parcels of land, to the realization of the investment and successful business cooperation.

The set of documents is organized in the following order:

1. Introduction – general information on the Economic Zone Nova Topola,
2. Graphic layout of land parcels in the Economic Zone Nova Topola,
3. Overview of available parcels of land intended for sale in the Economic Zone Nova Topola,
4. Steps to location in the Economic Zone Nova Topola,
5. Instruction – from land purchase to construction of a facility in the Economic Zone Nova Topola,
6. Information on the operation costs of investment,
- Instruction on the manner and conditions for connecting the facilities of end consumers and producers to the electricity distribution network,
7. The City of Gradiška Investment Offer,
8. Expression of Interest Form for Investing;

In order to establish as simple and direct cooperation with future investors as possible, by shortened deadlines for the implementation of planned investments, the City of Gradiška is always at the investors' disposal!
